

WELCOME TO THE ROYAL LATIN SCHOOL

"Royal Latin School is providing students with an outstanding education"

(Ofsted, 2009)

Welcome to The Royal Latin School, a co-educational grammar school of approximately 1260 students including a large sixth form of 390+. We have a long tradition of providing a high quality education with high expectations for all our students both in and out of the classroom.

Our school is one of the top-performing state schools in the country; our results at G.C.S.E. and A level are consistently excellent. Students are able to participate in a wide range of extra-curricular activities enabling them to be "exceptionally well prepared for their next steps in learning and the world of work" (*Ofsted, 2009*). We give students a high degree of responsibility and are proud of the way in which they represent the school with maturity and respect for others.

Students benefit from a rich and diverse curriculum, enhanced by the school's status as a specialist science college. Our Training School specialism ensures that teachers are able to provide the very highest standards of learning for all students. We attach a good deal of importance to understanding each student's individual needs, helping all students to enjoy school and make the most of their ability.

If you have any questions, please do not hesitate to contact us. If you would like to visit us, we would be delighted to welcome you to the school

"Students are eager and highly motivated learners and make good use of every opportunity presented to them."

(Ofsted, 2009)
